

ACKNOWLEDGEMENT

It is always a pleasure to remind the fine people in the master's program for their sincere guidance I received to upload my practical as well as theoretical skills in engineering.

I would like to thank, **Dr. M. U. Aswath**, Principal, Bangalore Institute of Technology for showing positive attitude that helped me in completion of Mini Project work.

I express my immense pleasure and deep sense of gratitude to **Dr. D. G. Jyothi**, PG Coordinator, Department of Computer Science and Engineering, Bangalore Institute of Technology for giving me opportunity and providing initial advice to encouragement.

I would also like to thank my guide **Prof. B. N. Shankar Gowda**, Associate Professor, Department of Computer Science and Engineering, Bangalore Institute of Technology for guiding me during the course spending his valuable time with me in every possible way.

I would hereby, make most of the opportunity by expressing my sincerest thanks to all my faculties whose teachings gave me conceptual understanding and clarity of compression, which ultimately made my job more easy.

Last but not the least I would like to acknowledge my gratitude to the respondents without whom this survey would have been incomplete.

I also thank my parents for their support.
